**CHAMPIONSHIP PERMIT NO:** CH2020/R057

The following is a clarification to the official regulations already issued for the above Championship within the rights reserved in Art. 1.1. of the Championship Regulations. These will be implemented immediately or as shown subject to Motorsport UK yearbook regulations.

#### AMENDMENT

##### New Regulation

##### 2.5 Starts

**2.5.6** If it is necessary to have combined grids with another Caterham championship at an event, when grids are formed, each championship will remain in their championship group in the order in which they finish.

##### Reason

Due to Covid-19 we have had to reduce the number of events for each championship and combine grids with another Caterham championship at each meeting. For safety reasons the championships should remain in their championship groups on the start grid.
